 **Debate**
by Natividade Felismina De Mendonça - Wednesday, 2 December 2020, 2:11 PM

To what extent countries can become resilient in the teaching and learning process in a situation of Covid-19 pandemic

 **Re: Debate**
by Dines Phiri - Wednesday, 2 December 2020, 4:10 PM

There is need for stakeholders to agree on appropriate technologies that can be used and also train the facilitators that will be delivering the training.

The learners must also be encouraged to collaborate using various chat platforms to ensure the feeling of social presence.
